

**Call for
Technical Presentation/papers
MBAA-Rocky Mountain District Meetings**

Dear fellow members and friends of MBAA-RMD.

We are encouraging you to submit proposals for papers, posters, presentations and/or suggestions for topics for our meetings as per our **2014** calendar below. We do have speakers assigned for the meeting February 10, but need presentation proposals for many of our meetings with ref to our calendar.

At our Technical Summit May 7 at CSU, we are planning to have 7 presentations, and some selected MBAA/ASBC/EBC posters as selected by our members participating in the most recent National Convention, and participation with displays by our sponsors. We have already received a couple of suggestions.

At our OOT (Out-Of-Towner) meeting TBD, we plan to have 4-5 presentations on Saturday morning.

We ask you to soonest possible submit your proposals, which can be in any area of the brewing process from raw materials through packaging/warehousing and distribution. If you have a topic you would like to see addressed, we shall try to include it in the program. Your fellow members will appreciate you sharing your specific brewing experiences and/or industry knowledge. Please submit your proposal(s) to

- Finn at finn@knudsenbeverageconsulting.com and/or
- Jeff at jbiegert@newbelgium.com

The submission cut off dates are for the

- Technical Summit, no later than March 28, 2014 and for
- OOT no later than July 31, 2014

Please include the following information on one page

- Author/Presenter, Contact information, Title, brief Abstract, and a brief CV.
